

Gateway College  
Leicester

**Description**

Opened in August 2009, Gateway College in Leicester forms part of a £33mill master-plan for the site. Nationwide Interiors were engaged by the main contractor client, under the “Colleges for the Future” scheme. This project was one of the first in the country to reach completion.

Nationwide Interiors were presented with a full bespoke joinery fit-out package, including numerous door sets of varying finish which included laminated, painted and veneered, ironmongery, skirting boards, architraves and window boards.

Nationwide were also awarded the door and floor protection programme, ensuring provision of full protection for all installed door sets and raised access flooring, prior to occupation by the end user.
