

**Rampton Secure Hospital
Derby**

Description

Nationwide Interiors were awarded the fit-out package on the new build development of a new learning difficulties development wing at Rampton High Secure Hospital.

Our scope of works included the supply and installation of secure cell door sets, frames & ironmongery, secure glazed hardwood screens, shelving, architraves, skirting boards, window boards, dry-wipe boards, IPS panelling, vanity units and anti ligature toilet cubicles.

We also carried out an extensive refurbishment on the existing staff offices and facilities.
