

Marks & Spencer  
Manchester

**Description**

Nationwide Interiors were engaged by the end client to carry out a high specification fast track fit-out in the flagship M&S store in Manchester with minimal disruption to customer footfall.

Our scope of works included the supply and installation of oak veneered wall panelling, reception counter tops, WC cubicles, vanity units & associated FF&E, high security metal door sets, oak veneered door frames and solid oak doors with ironmongery, wall mounted bumper rails and laminated curved wall panels.
