

Tate Gallery
Liverpool

Description

Nationwide Interiors were delighted to be awarded one of our most prestigious projects, the Tate Gallery. The Albert Dock re-development in Liverpool, was one of the most important dock refurbishments of its time, and has been a major catalyst for urban regeneration within the city.

Nationwide Interiors were contracted to supply and install new suspended ceilings, bespoke joinery fit-out and high specification floor and wall finishes throughout the conversion of the world famous and highly successful Tate Gallery, now a World Heritage site.
