

Project: The 'Eagle' Building, Fradley Park, Lichfield
Client: Clegg Construction / **Role:** Joinery Fit-Out

Value: £145,000

Originally commenced in 1998, Fradley Park was a major redevelopment that started on the former airfield, with the construction of factories, warehouses and 750 new houses. Today Fradley Park is a 300-acre warehousing and distribution development that covers most of the former airfield. Located at the heart of the country's transport network alongside the A38, it is also within very close proximity of 4 No. major motorway arteries'. Today the Business Park is extremely well established and houses tenants including Tesco, DHL, Wincanton, Swish, 3663, Hellmann, Caterpillar and Great Bear Distribution amongst others within their impressive portfolio of Blue-Chip Clients

Nationwide supplied and installed Doors, Frames and Ironmongery sets to the very high specification office complex set in the South Eastern corner of the development.

We also supplied and installed a number of Glazed Screens that sat alongside a number of the above office Doors and also some extremely striking glazed panel 4-pod meeting rooms into the large open plan office (see Photo)

We installed Skirtings, Architraves, Windowboards and Stair-strings and actually built the internal roof to the offices within the Warehouse finishing with 300mm deep fascia board.

We carried out the complete internal fit-out of the Staff Kitchen including base units and worktops all to the client's specification.

Nationwide completed the project by being instructed to construct staff changing rooms which comprised of W.C. & Shower Cubicles, a number of Bench seats and Vanity Units finished off with elements of a 'Group 2' F. F. & E. Package.
